

# Mt Sopris Nordic Council

## 2023-2024 Membership Contribution

Spring Gulch is a **“community-powered”** trail system operated by the Mt Sopris Nordic Council, a 501(c)(3) nonprofit organization. The contributions of our members are the **cornerstone** of our annual fundraising. Your support directly impacts our ability to serve up **high-quality skiing for locals**, offsetting the rising cost of grooming equipment, maintenance, fuel, staff wages, liability insurance, and more.

On behalf of the community who **loves** skiing at Spring Gulch,  
**THANK YOU** for becoming a member! We couldn't do it without you!
